

Profile

At Centre for Supplier Development we assist big corporates to **promote, facilitate, support and deliver** Enterprise and Supplier Development solutions across all sectors of the economy in South Africa.

Promoting, Facilitating and Supporting Black Entrepreneurs

Our Strategic intent is to promote, facilitate and support enterprise and supplier development across all sectors of the economy in South Africa, and beyond.

Our Vision

Our vision is to be a catalyst and conduit of supplier development in Africa by providing customised enterprise and supplier development services and solutions to established corporations

Our Unique Selling Proposition

We add value to our clients by promoting local content and facilitating local procurement. We have designed innovative approaches and solutions to establish databases of local community enterprises and the collation of supporting documentation to enable easier classification and grading of enterprises across various market segments and service/products categories.

Our Products and Services

- Localisation Research Studies and Enterprise Profiling
- Integrated B-BBEE Strategy and Consulting
- ESD Strategy and Programme Development
- Strategy / Programme Implementation
- Quality and Performance Standards & Processes
- ESD Policies & Procedures

Technology and Systems

We have developed proprietary systems to support our products and services:

LocalWise™ Enterprise Portal

To register on our local community enterprise portal follow the link below and select the nearest client to your enterprise:
<http://cfds.localwise.co.za/SelectClient>

Abacus™ Management System: This is our back office management reporting system, enterprise profiling and validation tool which is available on a license only basis to our corporate clients and strategic partners

Our Capacity to be your Preferred Enterprise & Supplier Development Partner

We have the depth and breadth of experience and expertise to be a preferred partner to your organisation. Our services and solutions are designed to meet your unique express needs and requirements.

B-BBEE Level

We are a Level 1 B-BBEE rated, value- adding supplier.
